Depending on the layout of the room, this suite can accommodate up to 350 people, but also has the ability to be partitioned for smaller parties into Executive Club and Molineux Suite.

The Fallowfield Suite

Situated next to The Hayward Suite, the Fallowfield Suite is perfect for pre-wedding drinks and very small wedding breakfasts.

The Major Buckley Suite & Billy's Boot Room

The Major Buckley Suite is a wonderful room either on its own, or combined with Billy's Boot Room. Major Buckley's is a fairly long room with bar facilities that would comfortably hold up to 100 people.

Billy's Boot Room is perfect for the enjoyment of pre-wedding breakfast drinks and canapés, or alternatively provides a good meeting place prior to the ceremony.

Sir Jacks' Restaurant

Sir Jack's Restaurant is a private, intimate and relaxed space with beautiful pitch side views.

Ideally suited to smaller wedding gatherings, it provides the perfect intimate atmosphere to host your wedding celebration.

The Boardroom

The Boardroom is a lovely self-contained suite on our 2nd floor with a warm, welcoming ambience. It provides an elegant setting for civil ceremonies and small wedding receptions.

International Suite

This is our most modern of rooms with mood setting LED lighting, 50" plasma screens for photos. It is the ideal venue for weddings of up to 120 people.

Pitch facing Suites

These suites offer a chance to keep your event extremely private and personal, and hold a maximum of 15 people seated.

WV1 Bar and Restaurant

WV1 Bar and Restaurant has the feeling of a stylish venue, with wooden floors and exposed brick work - a traditional loft style setting. Enjoy a relaxed and comfortable atmosphere that has a capacity of 500.

The large, modern, main reception and the ascent to the second floor is totally glass fronted, offering panoramic views of the north of the City, guaranteed to exceed all your expectations.

The Speeches

Speeches will normally follow the traditional schedule as follows, however you can personalize speeches to the order and number to suit your own specific requirements:

Speech One : The Bride's Father

The Brides Father (or a close relative or family friend) would always propose a toast of 'health and happiness to the bride and bridegroom'. Before doing so he would normally welcome the grooms parents, relatives of both families any other guests and welcome the groom to his family and say a few words about his daughter.

Speech Two - The Bridegroom

The bridegroom replies on behalf of the newlyweds, and thank his parents for their love and care during his youth, for the start they gave him in life, and for their good wishes for his future and that of his wife. He will also take this opportunity on behalf of his wife and himself to thank all those present for their gifts. Should there be any close members of the family who could not attend the wedding because of illness, they should be mentioned and be wished for a speedy recovery. To conclude, the bridegroom will propose the toast of the bridesmaids, and thank them for a job well done, he may also present them with a small gift as a token of their appreciation.

Speech Three - The Best Man

It is the best man's duty to respond to this toast on behalf of the bridesmaids, his speech should be light hearted and fun. It should be the high spot of the reception and it is very often his ability to make this particular speech, with humour and interest, that is the deciding chapter on the selection of the best man. (no pressure then!)
